SUMMARY

Final Year BCA student skilled in C++, JavaScript, and full-stack development with React and Node.js. Developed 3+ real-time and responsive projects, including collaborative applications and personal finance tools. Experienced in building efficient solutions, optimizing code, and collaborating in Agile teams. Seeking to contribute technical and problem-solving skills to a software development team.

PROFESSIONAL SKILLS

- Efficient Workflow
- Team Collaboration
- Process Improvement
- Task Prioritization

TECHNICAL SKILLS

C++, C, Java, React, HTML, CSS, JavaScript, SQL, REST APIs, Git, Postman, Machine Learning.

PROJECTS

July 2025 - Present

Real Time Code Editor:

- Developed multi-user code editor using React.js and [Socket.io](#) enabling live code synchronization
- Supported 5+ programming languages (Java, C++, C, JavaScript, Python) with dynamic syntax highlighting.
- Implemented input/output panels and user presence indicators for enhanced collaboration
- Technologies: React, JavaScript, [Socket.io](#), Node.js, CSS.

June 2025 - Nov 2025

Expense Tracker:

- Engineered responsive expense tracker using JavaScript and React for personal finance management
- Implemented full CRUD operations for expense tracking with live balance updates
- Integrated dynamic charts for spending pattern visualization
- Technologies: JavaScript, React, HTML, CSS.

EXPERIENCE

Project Engineer (Academic Role) : Led a team to build a Process Management Tool using Python. Developed features such as real-time process tracking, memory usage monitoring, and process control. Followed Agile practices, including sprint-based tasks, peer reviews, and collaborative debugging, to enhance team productivity and code quality. Mentored three team members on Python coding and debugging practices.

Jan 2025- Jun 2025

EDUCATION

Bachelor of Computer Application

Aug 2023 - Aug 2026

Graphic Era Hill University Dehradun Uttarakhand CGPA :8.3

Completed key projects using C++, Java Script , React.

ADDITIONAL INFORMATION

Languages: English, Hindi.

Certifications & Awards

- Naukri Young Turks 2025: 94.09 Percentile.
- NullClass: Web Dev Training & Project.
- Naukri Codequezt #23: Coding Challenge Participant.
- Machine Learning with python Certificate.
